

Protocol reminder for the 2019-2020 Academic Year Closing Under Covid-19 Restrictions

Dear IGEE-L2(L04) Students,

السلام عليكم - Azul

Based on the experience of the first stream (promotion L1), please take the following points into consideration:

1. Respect the barrier measures such as taking heat measures at the entrance to the IGEE, face mask wearing, maintaining a physical distance of one and a half meters (1.5 m) between people and gatherings banned.
2. Respect the orientation signs which have been fixed in the global circulation plan of the Institute (available in the IGEE's Website and Facebook/Twitter pages).
3. It is important to respect the times mentioned in the schedules that have been posted to you (start and end of session and break period).
4. Never remove or change the tapes placed on the seats of Amphitheatres and Classrooms, whether during lessons or during exams.

We thank you very much for your understanding and cooperation.

Good Luck,

Kind regards and be safe (حفظكم الله)
