Dear IGEE **L02** and **L04** Students,

Please be informed that the replacement exams for justified absences are scheduled to start on **Wednesday 18th of November 2020**. Alongside replacement exams, special lab sessions are scheduled so that students who were absent during their allocated time can makeup some of their Labs work.

Please be aware that this is your last chance to catch up. Always refer to the regulations among which the posted **ministerial decree n°633 of 08/26/2020**.

Good luck with your studies.

Kind regards.
