

# To IGEE-L2 (L04) students' delegates

## (An exceptional CP meeting)

Dear IGEE/L2(L04) students' delegates,

You are invited to an exceptional CP meeting with L04 faculty members in charge of lectures on **Sunday 18/10/2020 at 13:00 (S5) in room B208** in order to evaluate the progression of teaching activities.

Please make sure to inform all students' delegates who are not in the mailing list. If you are not around and cannot attend, just ask your group to pick a student among them as a representative.

The administrative team would like to obtain L2 students' prior opinion about scheduling the exam starting date: **Saturday 24/10/2020** or **Sunday 25/10/2020**. As you know, Thursday 29/10/2020 is a public holiday and if you start exams on the **Saturday 24th of October**, your last exam will be on **Wednesday the 28th**. If you start the exams on **Sunday the 25th**, your last exam will be on the **Saturday 31st of October**. Can you please consult with your fellow students and send us a response as soon as it is ready.

Note: - For Mrs DJAFRI, the lecture session of Sunday is moved to S4 instead of S5. Please inform your fellow students.

- An email on what was written above was already sent to you on Tuesday October 13th.

Kind regards.
