

Dear IGEE L06 and M02 Students,

Please be informed that the replacement exams for justified absences are scheduled to start on **Tuesday 24th of November 2020**. Alongside replacement exams, special lab sessions are scheduled so that students who were absent during their allocated time can make-up some of their Labs work. Please be aware that this is your last chance to catch up. Always refer to the regulations among which the posted ministerial decree n°633 of 08/26/2020.

Good luck with your studies.

Kind Regards
