

Regarding the general grade-sheets

Dear IGEE Students,

السلام عليكم - Azul

We would like to inform you that this is the first time we are using the PROGRES Platform to generate the general grade-sheets and also this is the first time teachers are asked to introduce themselves grades in the platform, this is why we have been so late in posting the final student's records and as we were expecting we are now receiving many complaints of mistake from students. Therefore, do not worry, all your grades are safely saved in paper form and signed by your teachers.

In order to help us to check your grades and fix any mistake if any, we ask you to use the form indicated by the link below.

Thank you for your understanding.

Kind regards and be safe (حفظكم الله)
