## Call for Papers

The First National Conference on Advanced Electrical and Electronics Engineering (NCAEEE 2025) will be held at the Institute of Electrical and Electronic Engineering, University M'Hamed BOUGARA of Boumerdes, Algeria, on November 30, 2025.

The Conference aims to present new advances and research results in the fields of Electrical and Electronics engineering and its applications. The Conference is expected to provide researchers, academics, engineers, and scientists with the opportunity to interact and present their latest advanced research. Authors are invited to contribute to the conference by submitting articles that report on their latest research results, innovative projects, or insightful surveying works. Topics of interest will fall under one or more of the conference tracks, but are not limited to:

- Antennas and Wave propagation, Microwave Circuits and Systems, Telecommunication systems
- Artificial Intelligence and its Applications
- Computer Science, Numerical Modeling and Methods
- Electrical Machines and Actuators, Power electronics
- Energy Storage and Management, Renewable Energies, Electric Power Systems
- Robotics, Automation and Control of Systems, Embedded Energy Systems
- Signal, Image and Video Processing

### Paper submission:

- Authors are invited to submit full-length papers (maximum of six pages) written in English, and formatted using the IEEE templates.
- Papers must be submitted electronically in PDF format to the link for paper submission found on the conference website. (<https://igee.univ-boumerdes.dz/ncaeee25/>).
- All submitted papers will automatically undergo a peer review process. Acceptance will be based on quality, relevance, originality, and presentation.
- All papers must be previously unpublished and may not be considered for publication elsewhere.
- All presented papers will be published in the Proceedings E-Book with ISBN.

### Paper submission:

- Submission Deadline: ~~November 10th, 2025~~. **November 15th, 2025.**
- Notification of Acceptance: November 20th, 2025.
- Camera Ready: November 25th, 2025.
